Dimensions	29.5" x 8.66" x 3.6"
Warranty	1 year

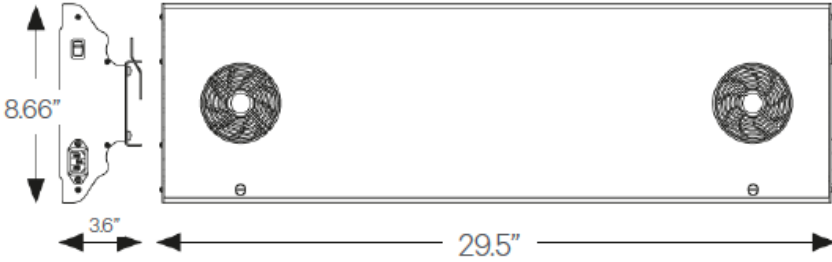

### ORDERING

Model Root	Unit Type	Options
LLT-UVG	AC - Air Cleaner	BLANK - None

**Safety Note:** Under normal operation, this Germicidal UV Disinfection unit does not expose skin or eyes to direct UVC radiation; however it is important to know that direct UVC radiation can cause skin burns and eye injuries that may appear hours after exposure has occurred. Avoid direct skin exposure to UVC radiation and never look directly into a UVC light source, even briefly. Therefore, do not tamper with the normal operation of this upper room unit, and take precautions to protect skin and eyes when performing maintenance.
